

To All the Wonderful People Working for Waterlow Park

Following our Survey, held at the end of last year, we felt that all the Waterlow Park staff - gardeners, support staff and volunteers - ought to know how positive most people feel about the park and how much they appreciate the commitment, energy and sheer hard work that you put into it.

We have been analysing the responses to our Survey, and were amazed at the outpouring of pure delight that people take in the park. We were also very touched by the appreciation for all the hard work that goes into keeping the park as wonderful as it is.

Here is just a sample of some of the comments we received.

Waterlow Park is a treasure. Bravo to all those involved in its upkeep!

Thank you to all who contribute to keeping Waterlow Park beautiful and hospitable

It is a wonderful park, you all do an amazing job.

Thank you for your wonderful work. Me and my husband LOVE Waterlow Park!

Beautiful calm parkland - thank you for the care you take

Just a big thank-you to all the volunteers and regular staff who make Waterlow Park one of the most beautiful places in north London.

Well done on maintaining the park so beautifully this last year.

I'd like to express huge thanks and appreciation for all who work to maintain and to improve the park.

It is good to know that so many people love our park and that they know how much we all give to it.
