The Friends of Waterlow Park present this year's Christmas Wreath and Foliage Decorations Sale in the Lower Gallery at Lauderdale House on Saturday 6 Dec from **10.30am** to **3.30pm**.

The wreaths and table decorations in a range of sizes are all made from flowers, foliage, cones and seed heads collected from Waterlow Park. Each one is unique and made by our volunteers. The wreaths are for indoor or outdoor (but sheltered) locations.

Also available will be foliage and dried plants for your vases and homemade decorations, plus lavender bags made using organically grown lavender from the park, and other smaller items suitable for Christmas decorations, gifts or stocking fillers.

The Friends incur few expenses for this sale and the net income goes to support gardening activities, new plants for the ornamental beds and events such as the free summer concerts.  No online sale is planned this year.
